14. This Agreement and the agreements referenced herein and signed as part of the settlement contain the entire understanding and agreement between the Parties, and it supersedes any prior or contemporaneous agreements, promises, statements, understandings, and/or representations, oral or written, relating to the matters set forth herein, which shall be superseded, void and unenforceable. Each Party understands that such Party is precluded from bringing any fraud or similar claim against any other Party based on any such communications, promises, agreements, statements, inducements, understandings, or representations. No oral statements or other prior written material not specifically incorporated into this Agreement, or the agreements signed in connection with this Agreement shall be of any force and effect, and no changes in or additions to this Agreement shall be recognized, unless incorporated into this Agreement by written amendment, such amendment to become effective on the date stipulated in it. Any amendment to this Agreement must be signed by all Parties to this Agreement.

15. Each of the Parties (only for himself, herself, or itself as the case may be) agrees, promises, warrants and represents that no promise, statement, agreement, representation, inducement, or condition which is not expressly set forth in writing in this Agreement has been made to any of the Parties in executing this Agreement and/or to induce any other Party to enter into this Agreement. To the extent any such statements have been made, each Party expressly disclaims reliance on any such statement not set forth in writing in this Agreement.

16. The Parties acknowledge that they have been advised to consult with an attorney of their choice about the terms of this Agreement, and each Party represents that it has consulted with such an attorney.

17. The Parties represent and warrant that this Agreement is entered into without fraud or duress, in good faith, and for sufficient and adequate good and valuable consideration.

18. The Parties to this Agreement have been represented by counsel in connection with the execution and delivery of this Agreement. Accordingly, for the purpose of contract construction rules, which may require the interpretation of an agreement against its drafter, no party shall be deemed the author of this Agreement.

[REDACTED]

28. Each Party promises and agrees: (a) that each covenant, agreement, representation, and warranty contained in this Agreement is negotiated, bargained for, and contractual—and is not a mere recital; (b) that each covenant, agreement, representation, and warranty contained in this Agreement survives the execution of this Agreement; and (c) that each covenant, agreement, representation, and warranty contained in this Agreement shall be forever binding on, enforceable against, and conclusive as to each Party.
